College Authority.

Thomasville Charity and Children

Of late the faculty of the average ental minds such a course leads only college appears to have surrendered its authority into the hands of the ties concerned. Either party can control have occurred of late. The chance. Your method is unequal, par- is entirely unfortunate for all parties tial and unjust, for you deny the concerned. The growing power of woman privileges that are her right. the student body, and especially the once who turned pale and spoke in a whisper when referring to the probable action of the student body in a case then pending. This is nonsense. The student body of the average col time lead to their retirement, and the next President of the United States is likely to be called on practically to reconstruct the membership of the Supreme Court, which would now appear to be almost the only conservative governing force that the country can depend on." This is something for the people to think upon. It would be an evil day for this country when a majority of the membership of its Supreme Court was constituted of judges selected without restraint by either Mr. Roosevelt or Mr. Bryan. With either of them as President the only safety would lie in the Senate which yet has the power of rejection of impeoper nominations.

This is something for the people to think upon. It would be an evil day for this country when a majority of the membership of its Supreme Court was constituted of judges selected without restraint by either Mr. Roosevelt or Mr. Bryan. With either of them as President the only safety would lie in the Senate which yet has the power of rejection of impeoper nominations.

The craze for a big enrollment has weakened, and in some instances destroyed, the discipline of otherwise excellent colleges, but it is a great deal better to have a student body of two hundred than a wild mob of five hundred. We hope to see a reaction set in toward the restoration of the college faculty to its former power and anything the professor should be feared as well as respected by the boys; but unformately it is the other in some institutions. Parents are doing a good deal of quiet thinking on this matter, and the college faculty that exercises proper control is the one that commands their respect and that will secure their patronage. The craze for a big enrollment has weakened, and in some instances destroyed, the discipline of otherwise excellent colleges, but it is agreed that the country well as respected by the boys; but unformately it is the other in some institutions. Parents are doing a good deal of quiet thinking on this matter, and the college faculty that exercises proper control is the one that lege faculty to its former power and
